TEST CASE DETAILS			
PRIORITY		TYPE	
Critical		Functional	
PRECONDITION			
The selected account balance is less than the payment amount.			
STEPS			
1	 Enter valid payee information.		The information is entered successfully.
2	 Enter a payment amount greater than the available balance.		The payment amount is entered successfully.
3	 Click Send Payment.		The payment request is rejected and an appropriate error message is displayed.

RESULT COMMENTS & ATTACHMENTS	AUTHOR	COMMENT DATE
 The system allowed the bill payment transaction to process successfully even though the entered amount exceeded the available balance. Consequently, the account balance fell into a negative value instead of rejecting the transaction with an insufficient funds error message.	Phuong Nghi Pham	7/25/2026, 4:50 PM
